BIO

CRISTINA BETTI IS A SENIOR ASSOCIATE IN THE CORPORATE AND M&A GROUP.

Cristina specialises in corporate law, with particular focus on project financing and M&A transactions in the renewable energy sector, assisting clients from the early stages of the transactions (legal due diligence and deal structuring) to the negotiation of key documents, such as SPA, JDA, SHA.

She has also experience on administrative and regulatory matters, as well as corporate governance and compliance issues (“Model 231”).

Cristina is a member of the Bar in three different jurisdictions (Italy – 2013; Florida – 2012; and Spain – 2011). She holds a Law Degree cum laude from “Roma Tre” University (Rome, Italy), a Juris Doctor (J.D.) from “Nova Southeastern University” (Fort Lauderdale, Florida), as well as a Spanish Law Degree from “La Laguna” University (Tenerife, Spain).

In addition to Italian, Cristina speaks English and Spanish.

EXPERIENCE

Advised Ilios Hydrogen Canada Limited on the development of its first green hydrogen production projects in Italy.

Advised Photosol Développement, part of France’s Photosol Group, on its acquisition of a 100 MW portfolio comprising ten photovoltaic and agrivoltaic projects in Italy’s Lazio region from ib vogt. The purchase, Photosol’s first investment in Italy.

WATSON FARLEY & WILLIAMS

Advised New Developments on its joint venture with GR Value to develop the “Elymo” and “Apeneste” floating offshore wind projects. “Elymo” is a 1020 MW floating offshore wind farm comprising 68 wind turbines in the Strait of Sicily, “Apeneste” a 915 MW floating offshore wind farm with 61 wind turbines in the southern Adriatic Sea.

Advised BayWa on the sale of its bioenergy platform BayWa Bioenergy GmbH, which owns five operational assets in Germany and a pipeline of projects under development in Italy.
